1 Responses to RFQ

Responses to this RFQ [**Quotations**] must not include documents or reference relating to any other quotation or proposal. Any additional conditions must be embodied in an accompanying letter.

2 Broad-Based Black Economic Empowerment [B-BBEE]

Transnet fully endorses and supports the Government's Broad-Based Black Economic Empowerment Programme and it would therefore prefer to do business with local business enterprises who share these same values. As explained in more detail in the B-BBEE Claim Form (Section 6), Transnet will award preference points to companies who provide proof of their B-BBEE status using either the latest version of the generic Codes of Good Practice or Sector Specific Codes (if applicable).

The value of this bid is estimated to be below R50 000 000 (all applicable taxes included); and therefore the **80/20** system shall be applicable.

Respondents are required to complete Section 6 and submit it together with valid proof of their B-BBEE Status as stipulated in the Claim Form in order to obtain preference points for their B-BBEE status.

Respondents are required at all times to comply with the latest B-BBEE legislation and/or instruction notes as issued from time to time by the DTI.

Note: Failure to submit valid and original (or certified copy of) proof of the Respondent's compliance with the B-BBEE requirements stipulated in Section 6 of this RFQ (the B-BBEE Preference Points Claim Form) at the Closing Date of this RFQ, will result in a score of zero being allocated for B-BBEE.

Respondents are required to submit proof of the subcontracting arrangement between themselves and the subcontractor. Proof of the subcontracting arrangement may include a subcontracting agreement.

Respondents are to note that it is their responsibility to select competent subcontractors that meet all requirements of the bid so that their bid is not

jeopardised by the subcontractor when evaluated. Respondents are responsible for all due diligence on their subcontractors.

If contemplating subcontracting, a Respondent will not be awarded points for B-BBEE if it is indicated in its Proposal that such Respondent intends subcontracting more than 25% [twenty-five percent] of the value of the contract to an entity/entities that do not qualify for at least the same points that the Respondent qualifies for, unless the intended subcontractor is an EME with the capability to execute the contract.

Respondent/s are discouraged from subcontracting with their subsidiary companies as this may be interpreted as subcontracting with themselves and / or using their subsidiaries for fronting. Where a Respondent intends to subcontract with their subsidiary this must be declared in their bid response.

The successful Respondent awarded the contract may only enter into a subcontracting arrangement with Transnet's prior approval.

The contract will be concluded between the successful Respondent and Transnet, therefore, the successful Respondent and not the sub-contractor will be held liable for performance in terms of its contractual obligations.

A person awarded a contract may not subcontract more than 25% [twenty-five percent] of the value of the contract to any other enterprise that does not have an equal or higher B-BBEE status level than the person concerned, unless the contract is subcontracted to an EME that has the capability and ability to execute the subcontract.

In terms of Section 6 of this RFQ [the B-BBEE Preference Point Claim Form] Respondents are required to indicate the percentage of the contract that will be sub-contracted as well as the B-BBEE status of the sub-contractor/s.

3 Communication

Respondents are warned that a response will be liable for disqualification should any attempt be made by a Respondent either directly or indirectly to canvass any officer(s) or employee of Transnet in respect of this RFQ between the closing date and the date of the award of the business.

Bidders may therefore be requested to advise whether they would still be prepared to provide the required goods at their quoted price, even after they have been issued with a Letter of Regret.

Transnet reserves the right to lower the threshold for Technical from 70 % to 60 % if no Bidders pass the predetermined minimum threshold.

10 B-BBEE AND SOCIO-ECONOMIC OBLIGATIONS

10.1 B-BBEE Scorecard

- a) Transnet fully endorses and supports the Broad-Based Black Economic Empowerment Programme and is strongly of the opinion that all South African business enterprises have an equal obligation to redress the imbalances of the past. It is also a fundamental requirement of the RFP that the Service Provider also contributes to the Supplier Development Programme, as applied by Transnet.
- b) In response to this requirement, the Service Provider shall submit to Transnet's Contract Manager or such other designated person details of its B-BBEE status in terms of the latest Codes of Good Practice issued in terms of the B-BBEE Act and proof thereof at the beginning of March each year during the currency of this Agreement.
- c) The Service Provider undertakes to notify and provide full details to Transnet in the event there is:
 - (i) a change in the Service Provider's B-BBEE status which is less than what it was at the time of its appointment including the impact thereof; and
 - (ii) a corporate or internal restructure or change in control of the Service Provider which has or likely to impact negatively on the Service Provider's B-BBEE status.
- d) Notwithstanding any other reporting requirement in terms hereof, the Service Provider undertakes to provide any B-BBEE data (underlying data relating to the Service Provider which has been relied upon or utilised by a verification agency or auditor for the purposes of issuing a verification certificate in respect of the Service Provider B-BBEE status) which

Transnet may request on written notice within 30 (thirty) calendar days of such request. A failure to provide such data shall constitute a Service Provider Default and may be dealt with in accordance with the provisions of clause 23.

- e) In the event there is a change in the Service Provider's B-BBEE status, then the provisions of clause 23 shall apply.

10.2 **B-BBEE Improvement Plan**

- a) Transnet encourages its suppliers to constantly strive to improve their B-BBEE levels. To this end, the Service Provider undertakes to provide Transnet with a B-BBEE Improvement Plan to indicate the extent to which their B-BBEE status will be maintained or improved over the contract period, as per Annexure of the RFP.
- b) The Service Provider shall, for the duration of this Agreement, comply with the B-BBEE Improvement Plan.
- c) The terms of the B-BBEE Improvement Plan and monetary value of the commitments thereunder shall not (unless otherwise agreed in writing) be less or less favourable than the commitments made by the Service Provider in such B-BBEE Improvement Plan.
- d) Breach of B-BBEE Improvement Plan obligations also provide Transnet cause to terminate the contract in certain cases where material milestones are not being achieved.

10.3 **Green Economy/Carbon Footprint**

- a) In addition to the B-BBEE commitments that the Service Provider makes, the Service Provider has in its bid provided Transnet with an understanding of the Service Provider's position with regard to issues such as waste disposal, recycling and energy conservation.

10.4 **Reporting**

- a) The Service Provider shall monitor, audit, and record in an auditable manner, its own implementation and compliance with the B-BBEE Improvement Plan and provide the Contract Manager with such information as the Contract Manager may reasonably request concerning the implementation of the B-BBEE Improvement Plan.
- b) The Service Provider shall, on a monthly basis from the Commencement Date and within 7 (seven) calendar days of the end of the previous calendar month, provide Transnet with a report (for monitoring purposes only) in respect of each of the undertakings stipulated in this clause 10.4 **Error! Reference source not found.**
- c) Transnet, through its Supplier Development division, shall, every 6 (six) months from the Commencement Date, review and verify the Service Provider's undertakings stipulated in this clause with respect to B-BBEE, based on the Service Provider's report.

- d) The Service Provider shall provide adequate proof to enable Transnet to verify compliance with the B-BBEE Improvement Plan.
- e) Post verification of the submitted report to Transnet, Transnet shall engage with the Service Provider on the findings. The Contract Manager, assisted by the relevant specialist from Transnet's Supplier Development division, must report to the Service Provider at the end of every 6 (six) months as to whether or not the Contract Manager and/or the Supplier Development specialist reasonably considers, based on the information available to it, that the Service Provider has during such time complied with the B-BBEE Improvement Plan and the extent, if any, to which the Service Provider has not so complied.
- f) Without prejudice to the Transnet's rights under this Agreement:
 - (i) if the Contract Manager and/or Transnet's Supplier Development specialist reasonably considers that the Service Provider is not at any time complying with its B-BBEE Improvement Plan, the Contract Manager and/or the Supplier Development specialist may make such recommendations as is considered reasonably appropriate to the Service Provider as to the steps he reasonably considers should be taken by the Service Provider in order for the Service Provider to remedy such non-compliance and the time period within which such steps must be taken;
 - (ii) If such recommendations are not implemented by the Service Provider in accordance with such recommendations, then the provisions of clause 11 **Error! Reference source not found.** shall apply; and
 - (iii) Transnet may at any time request a meeting with the Service Provider to consider any non-compliance reported to it by the Supplier Development specialist of Transnet and/or the Contract Manager or which otherwise comes to its attention. Both Parties must attend such a meeting and negotiate in good faith with a view to reach agreement on the steps or actions that the Service Provider must undertake in order to remedy that non-compliance.
- g) In the event the Service Provider is found not to have met the B-BBEE requirements agreed upon in the B-BBEE Improvement Plan, and/or is found to be fraudulent in submitting the reports, then Transnet shall be entitled to terminate in terms of clauses 22 and 23.
- h) For the sake of completion of its contractual obligations, the Service Provider shall be obliged to complete all the undertakings made under the B-BBEE Improvement Plan 3 to 6 months before the Termination Date.

11 PENALTIES

11.1 Non-compliance Penalties for the B-BBEE Improvement Plan:

- a) If the Service Provider fails, at any agreed milestone, to achieve its commitments under and in accordance with the B-BBEE Improvement Plan ("a **Non-compliance**"), the Service Provider shall pay a Non-compliance penalty ("Non-compliance Penalty") to Transnet in respect of such Non-compliance. The penalties shall be imposed per milestone measurement.
- b) Respondents are to note that Transnet will determine the size of the entity (i.e. EME, QSE and Large) and the applicable Non-compliance Penalties annually based on the Service Provider's turnover in the year the penalty applies.

Applicable Rates of Non-compliance Penalties in respect of B-BBEE Improvement plan:

- c) The Non-compliance Penalty shall be based on a percentage of the cumulative amount paid to the Service Provider by Transnet during the preceding year of a contract. Penalties shall only apply in respect of contracts lasting 3 years or more and shall be imposed at the Applicable Rates mentioned in Table 1 below.
- d) In order to ensure that payment of any applicable Non-compliance penalty is guaranteed, Transnet is entitled to make stipulated monthly/milestone deductions from amounts due to the Service Provider. These amounts shall be retained as security to ensure that the Service Provider will be able to discharge its obligations in respect of any applicable Non-compliance Penalty and shall be the "BBBEE Retention Amount". The relationship between the Non-compliance Penalty and the B-BBEE Retention Amount is illustrated in Table 2 below. The deduction of the B-BBEE Retention Amount shall be based on the following:
 - i. Transnet shall be entitled to deduct a stipulated percentage from each monthly/milestone payment based on the penalty percentage stipulated in the next year as indicated in Table 1 below.
 - ii. By way of illustration, in respect of EMEs, in year 2 Transnet shall deduct 0,5% of each monthly/milestone payment to ensure that the Service Provider will be able to meet its obligations in respect of any applicable Non-compliance Penalty due at the end of year 3. The same approach in calculation of the B-BBEE Retention Amount applies in respect of years 3 and beyond, based on the penalty percentage as stipulated in Table 2 below.

**The B-BBEE Retention Amount and applicable Non-compliance Penalties will apply similarly to contracts in excess of 5 years in duration.

- e) The BBBEE Retention Amount shall be retained by Transnet as security for the obligations of the Service Provider in terms of the BBBEE Improvement Plan.
- f) Should there be a change in the status of the Service Provider between the year the B-BBEE Retention Amount is deducted and the year the penalty is imposed, Transnet will be entitled to recover any shortfall between the B-BBEE Retention Amount and Non-compliance Penalty imposed, withhold payment due to the Service Provider in lieu of payment of the remaining shortfall or deduct (set off) the amount not paid by the Service Provider from the account of the Service Provider in the ensuing month.
- g) Should the Service Provider's obligations?
 - be met in terms of the BBBEE Improvement Plan, the BBBEE Retention Amount shall be released within 30 (thirty) days of the date of verification of compliance by the Service Provider of its obligations in terms of the BBBEE Improvement Plan, at which time the monies shall be paid over to the Service Provider; and
 - not be met, unless such failure is attributable to the occurrence of a Force Majeure Event, the Service Provider shall forfeit the BBBEE Retention Amount and shall have no further claim against Transnet for the repayment of such amount.

Non-compliance Penalty Certificate:

- h) If any Non-compliance Penalty arises, the Supplier Development Manager shall issue a Non-compliance Penalty Certificate on the last day of each month during such Non-compliance indicating the Non-compliance Penalties which have accrued during that period.
- i) A Non-compliance Penalty Certificate shall be prima facie proof of the matters to which it relates. If the Service Provider disputes any of the amounts set out in a Non-compliance Penalty Certificate:
 - the dispute shall be resolved in accordance with the provisions of the Agreement; and
 - if pursuant to that referral, it is determined that the Service Provider owes any amount to Transnet pursuant to the Non-compliance Penalty Certificate, then the Service Provider shall pay such amount to Transnet within 10 (ten) Business Days of the determination made pursuant to such determination and an accompanying valid Tax Invoice.

Payment of Non-compliance Penalties:

- j) Subject to Clause (i) above, the Service Provider shall pay the Non-compliance Penalty indicated in the Non-compliance Penalty Certificate within 10 (ten) Business Days of Transnet issuing a valid Tax Invoice to the Service Provider for the amount set out in that certificate. If Transnet does not issue a valid Tax Invoice to the Service Provider for Non-compliance Penalties accrued during any relevant period, those Non-compliance Penalties shall be carried forward to the next period.
- k) The Service Provider shall pay the amount due within 10 (ten) days after receipt of a valid Tax Invoice from Transnet, failing which Transnet shall, without prejudice to any other rights of Transnet under this Agreement, be entitled to call for payment which may be in any form Transnet deems reasonable and/or appropriate.
- l) Should the Service Provider fail to pay any Non Compliance Penalties within the time indicated above (as applicable), Transnet shall be entitled to deduct (set off) the amount not paid by the Service Provider from the account of the Service Provider in the ensuing month.
- m) The Non Compliance Penalties set forth in this Clause are stated exclusive of VAT. Any VAT payable on Non Compliance Penalties will be for the account of the Service Provider.

The Service Provider shall produce such records to Transnet for inspection at all reasonable times on request and such records may, at Transnet's option, be audited by Transnet or its designated representatives.
- 14.4 Should Transnet and the Service Provider fail to reach an agreement on Fees for the successive period, either Party shall be entitled to submit this matter to dispute resolution in accordance with clause 29 of this Master Agreement [*Dispute Resolution*].
- 14.5 If during the period of this Agreement Transnet can purchase similar Services of a like quality from another service provider at a lower fee than the Service

Provider, Transnet may notify the Service Provider accordingly and the Service Provider shall have an opportunity to adjust the Fee of the Services purchased hereunder accordingly within 30 [thirty] calendar days of such notice. If the Service Provider fails to do so or cannot legally do so, Transnet may (i) purchase the Services from such other service provider in which case the obligations, including, but not limited to, any purchase and sale requirements and/or commitments, if any, of Transnet and the Service Provider hereunder shall be reduced accordingly; (ii) terminate this Agreement without any penalty, liability or further obligation; or (iii) continue purchases under this Agreement.

- 14.6 If during the period of this Agreement the Service Provider sells any services which are the same as, equivalent to, or substantially similar to the Services herein to a third party lower than the fee charged to Transnet, then the Service Provider has an opportunity to adjust its Fees for the Services purchased hereunder within 30 [thirty] calendar days so that the Fee is the same or lower than the fees charged to such third party. 18 INSURANCES

- 18.1 Without limiting the liability of the Service Provider under this Agreement, the Service Provider shall take out insurance in respect of all risks for which it is prudent for the Service Provider to insure against, including any liability it may have as a result of its activities under this Agreement for theft, destruction, death or injury to any person and damage to property. The Service Provider shall promptly reimburse Transnet for any premiums paid provided such insurance protects the Service Provider's liability. Transnet assumes no responsibility for such insurance being adequate to protect all of the Service Provider's liability.
- 18.4 In the event that the Service Provider receives written notice from its insurers advising of the termination of its insurance cover referred to in clause 18.1 above or if the insurance ceases to be available upon commercially reasonable terms, the Service Provider shall immediately notify Transnet in writing of such termination and/or unavailability, where after either the Service Provider or Transnet may terminate this Agreement on giving the other Party not less than 30 [thirty] calendar days prior written notice to that effect.

 - a) The Service Provider shall notify the Information Officer of Transnet, in writing as soon as possible after it becomes aware of or suspects any loss, unauthorised access or unlawful use of any personal data and shall, at its own cost, take all necessary remedial steps to mitigate the extent of the loss or compromise of personal data and to restore the integrity of the affected Goods as quickly as is possible. The Service Provider shall also be required to provide Transnet with details of the persons affected by the compromise and the nature and extent of the compromise, including details of the identity of the unauthorised person who may have accessed or acquired the personal data.

- b) The Service Provider shall provide on-going updates on its progress in resolving the compromise at reasonable intervals until such time as the compromise is resolved.
- c) Where required, the Service Provider may be required to notify the South African Police Service; and/or the State Security Agency and where applicable, the relevant regulator and/or the affected persons of the security breach. Any such notification shall always include sufficient information to allow the persons to take protective measures against the potential consequences of the compromise.
- d) The Service Provider undertakes to co-operate in any investigation relating to security which is carried out by or on behalf of Transnet including providing any information or material in its possession or control and implementing new security measures.

20 CONFIDENTIALITY

20.1 The Parties hereby undertake the following, with regard to Confidential Information:

- a) not to divulge or disclose to any person whomsoever in any form or manner whatsoever, either directly or indirectly, any Confidential Information of the other, without the prior written consent of such other Party, other than when called upon to do so in accordance with a statute, or by a court having jurisdiction, or by any other duly authorised and empowered authority or official, in which event the Party concerned shall do what is reasonably possible to inform the other of such a demand and each shall assist the other in seeking appropriate relief or the instituting of a defensive action to protect the Confidential Information concerned;
- b) not to use, exploit, permit the use of, directly or indirectly, or in any other manner whatsoever apply the Confidential Information, disclosed to it as a result of this Agreement, for any purpose whatsoever other than for the purpose for which it is disclosed or otherwise than in strict compliance with the provisions in this Agreement;
- c) not to make any notes, sketches, drawings, photographs or copies of any kind of any part of the disclosed Confidential Information, without the prior written consent of such other Party, except when reasonably necessary for the purpose of this Agreement, in which case such copies shall be regarded as Confidential Information;
- d) not to de-compile, disassemble or reverse engineer any composition, compilation, concept application, item, component de-compilation, including software or hardware disclosed and shall not analyse any sample provided by Transnet, or otherwise determine the composition or structure or cause to permit these tasks to be carried out except in the performance of its obligations pursuant to this Agreement;

- e) not to exercise less care to safeguard Transnet Confidential Information than the Party exercises in safeguarding its own competitive, sensitive or Confidential Information;
- f) Confidential Information disclosed by either Party to the other or by either Party to any other party used by such Party in the performance of this Agreement, shall be dealt with as "restricted" or shall be dealt with according to any other appropriate level of confidentiality relevant to the nature of the information concerned, agreed between the Parties concerned and stipulated in writing for such information in such cases;
- g) the Parties shall not make or permit to be made by any other person subject to their control, any public statements or issue press releases or disclose Confidential Information with regard to any matter related to this Agreement, unless written authorisation to do so has first been obtained from the Party first disclosing such information;
- h) each Party shall be entitled to disclose such aspects of Confidential Information as may be relevant to one or more technically qualified employees or consultants of the Party who are required in the course of their duties to receive the Confidential Information for the Permitted Purpose provided that the employee or consultant concerned has a legitimate interest therein, and then only to the extent necessary for the Permitted Purpose, and is informed by the Party of the confidential nature of the Confidential Information and the obligations of the confidentiality to which such disclosure is subject and the Party shall ensure such employees or consultants honour such obligations;
- i) each Party shall notify the other Party of the name of each person or entity to whom any Confidential Information has been disclosed as soon as practicable after such disclosure;
- j) each Party shall ensure that any person or entity to which it discloses Confidential Information shall observe and perform all of the covenants the Party has accepted in this Agreement as if such person or entity has signed this Agreement. The Party disclosing the Confidential Information shall be responsible for any breach of the provisions of this Agreement by the person or entity; and
- k) each Party may by written notice to the other Party specify which of the Party's employees, officers or agents are required to sign a non-disclosure undertaking.

20.2 The duties and obligations with regard to Confidential Information in this clause 20.1 shall not apply where:

- a) a Party can demonstrate that such information is already in the public domain or becomes available to the public through no breach of this Agreement by that Party, or its Personnel; or

- b) was rightfully in a Party's possession prior to receipt from the other Party, as proven by the first-mentioned Party's written records, without an infringement of an obligation or duty of confidentiality; or
- c) can be proved to have been rightfully received by a Party from a third party without a breach of a duty or obligation of confidentiality; or
- d) is independently developed by a Party as proven by its written records.

20.3 This clause 20 shall survive termination for any reason of this Agreement and shall remain in force and effect from the Commencement Date of this Agreement and 5 [five] years after the termination of this Agreement. Upon termination of this Agreement, all documentation furnished to the Service Provider by Transnet pursuant to this Agreement shall be returned to Transnet including, without limitation all corporate identity equipment including dyes, blocks, labels, advertising matter, printing matter and the like.

21 TOTAL OR PARTIAL FAILURE TO PERFORM THE SCOPE OF SERVICES

Should the Service Provider fail or neglect to execute the work or to deliver any portion of the Service, as required by the terms of this Agreement or Work Order, Transnet may cancel this Agreement or Work Order in so far as it relates to the unexecuted work or rejected portion of the Service, and, in such event, the provision of any remaining commitment shall remain subject in all respects to these conditions.

22 TERM AND CANCELLATION

22.1 Notwithstanding the date of signature hereof, the Commencement Date if this Agreement is and the duration shall be for a [.....] year period, expiring on, unless:

- a) this Agreement is terminated by either Party in accordance with the provisions incorporated herein or in any schedules or annexures appended hereto, or otherwise in accordance with law or equity; or
- b) It shall terminate on the date the funds are depleted or on whichever event that comes first between the expiry date and the date in which the funds are depleted.

22.2 Notwithstanding clause 23 [*Breach and Consequence of Termination*], either Party may cancel this Agreement without cause by giving 30 [thirty] calendar days prior written notice thereof to the other Party, provided that in such instance, this Agreement will nevertheless be applicable in respect of all Purchase Orders which have been placed prior to the date of such cancellation.

23 BREACH AND CONSEQUENCE OF TERMINATION

23.1 Termination in accordance with clause 22 [*Term and Cancellation*] shall not prejudice or affect any right of action or remedy which shall have accrued or shall thereafter accrue to either Party and all provisions which are to survive this Agreement or impliedly do so shall remain in force and in effect.

- 23.2 On termination of this Agreement or a Work Order, the Service Provider will immediately deliver up, and procure that its Personnel will immediately deliver up to Transnet, all Deliverables and property belonging to Transnet [or, in the event of termination of a Work Order, such as is relevant to that Work Order] which may be in the possession of, or under the control of the Service Provider, and certify to Transnet in writing that this has been done.
- 23.3 To the extent that any of the Deliverables and property referred to in clause 23.2 above are in electronic form and contained on non-detachable storage devices, the Service Provider will provide Transnet with unencrypted copies of the same on magnetic media and will irretrievably destroy and delete copies so held.
- 23.4 In the event that this Agreement is terminated by the Service Provider under clause 22.2 [*Term and Cancellation*], or in the event that a Work Order is terminated by Transnet under clause 23.5 [*Breach and Consequences of Termination*], Transnet will pay to the Service Provider all outstanding Fees [apportioned on a *pro rata* basis] relating to the work undertaken by the Service Provider up until the date of such termination. Transnet will also pay the costs of any goods and materials ordered by the Service Provider in relation to the such work for which the Service Provider has paid or is legally obliged to pay, in which case, on delivery of such goods or materials, the Service Provider will promptly deliver such goods and materials to Transnet or as it may direct.
- 23.5 If either Party [**the Defaulting Party**] commits a material breach of this Agreement and fails to remedy such breach within 30 [thirty] calendar days of written notice thereof, the other Party [hereinafter **the Aggrieved Party**], shall be entitled, in addition to any other rights and remedies that it may have in terms of this Agreement, to terminate this Agreement forthwith without any liability and without prejudice to any claims which the Aggrieved Party may have for damages against the Defaulting Party.
- 23.6 Either Party may terminate this Agreement forthwith by notice in writing to the other Party when the other Party is unable to pay its debts as they fall due or commits any act or omission which would be an act of insolvency in terms of the Insolvency Act, 24 of 1936 [as amended from time to time], or if any action, application or proceeding is made with regard to it for:
- a) a voluntary arrangement or composition or reconstruction of its debts;
 - b) its winding-up or dissolution;
 - c) the appointment of a liquidator, trustee, receiver, administrative receiver or similar officer;
 - d) any similar action, application or proceeding in any jurisdiction to which it is subject.
- 23.7 Transnet may terminate this Agreement at any time within 2 [two] months of becoming aware of a change of control of the Service Provider by notice in writing to the Service Provider. For the purposes of this clause, control means

the right to direct the affairs of a company whether by ownership of shares, membership of the board of directors, agreement or otherwise.

23.8 Notwithstanding this clause 23, Transnet may cancel this Agreement:

- (a) without cause by giving 30 [thirty] calendar days' prior written notice thereof to the Service Provider, or
- (b) by notice in writing to the Service Provider, where the Service Provider fails to provide Transnet with a valid Tax Clearance Certificate issued by the South African Revenue Service at any time during the currency of this Agreement.

23.9 The provisions of clauses 2 [Definitions], 6 [Warranties], 15 [Intellectual Property Rights], 17 [Limitation of Liability], 20 [Confidentiality], 23 [Breach and Consequence of Termination], 29 [Dispute Resolution] and 33 [Governing Law] shall survive termination or expiry of this Agreement.

24 CESSION

24.1 Upon written notice to the Service Provider, Transnet shall be entitled to cede, assign or novate this Agreement to any third party.

24.2 The Service Provider is not entitled to cede, delegate, assign, Subcontract or in any other manner dispose of any of its rights or obligations in terms of this Agreement without the prior written consent of Transnet, which consent shall not be withheld or delayed unreasonably.

25 FORCE MAJEURE

25.1 Neither Party shall have any claim against the other Party arising from any failure or delay in the performance of any obligation of either Party under this Agreement caused by an act of *force majeure* such as acts of God, fire, flood, war, lockout, government action, laws or regulations, terrorism or civil disturbance, defaults or other circumstances or factors beyond the reasonable control of either Party, and to the extent that the performance of obligations of either Party hereunder is delayed by virtue of the a foregoing, any period stipulated for any such performance shall be reasonably extended. Transnet may however rely on strikes, industrial dispute and riots as a ground of *force majeure*.

25.2 Each Party will take all reasonable steps by whatever lawful means that are available, to resume full performance as soon as practicable and will seek agreement to modification of the relevant provisions of this Agreement in order to accommodate the new circumstances caused by the act of *force majeure*. If a Party fails to agree to such modifications proposed by the other Party within 90 [ninety] calendar days of the act of *force majeure* first occurring, either Party may thereafter terminate this Agreement with immediate notice.

26 EQUALITY AND DIVERSITY

- 26.1 The Service Provider will not victimise, harass or discriminate against any employee of either Party to this Agreement or any applicant for employment with either Party to this Agreement due to their gender, race, disability, age, religious belief, sexual orientation or part-time status. This provision applies, but is not limited to employment, upgrading, work environment, demotion, transfer, recruitment, recruitment advertising, termination of employment, rates of pay or other forms of compensation and selection for training.
- 26.2 Both Parties to this Agreement undertake that they will not, and shall ensure that its employees, agents and Subcontractors will not breach any applicable discrimination legislation and any amendments and re-enactments thereof.

27 NON-WAIVER

- 27.1 Failure or neglect by either Party, at any time, to enforce any of the provisions of this Agreement, shall not, in any manner, be construed to be a waiver of any of that Party's rights in that regard and in terms of this Agreement.
- 27.2 Such failure or neglect shall not, in any manner, affect the continued, unaltered validity of this Agreement, or prejudice the right of that Party to institute subsequent action.

28 PARTIAL INVALIDITY

If any provision of this Agreement shall be held to be invalid, illegal or unenforceable, or shall be required to be modified, the validity, legality and enforceability of the remaining provisions shall not be affected thereby.

29 DISPUTE RESOLUTION

- 29.1 Should any dispute of whatsoever nature arise between the Parties concerning this Agreement, the Parties shall try to resolve the dispute by negotiation within 10 [ten] Business Days of such dispute arising.
- 29.2 If the dispute has not been resolved by such negotiation, either of the Parties may refer the dispute to AFSA and notify the other Party accordingly, which proceedings shall be held in Durban.
- 29.3 Such dispute shall be finally resolved in accordance with the rules of AFSA by an arbitrator or arbitrators appointed by AFSA.
- 29.4 This clause constitutes an irrevocable consent by the Parties to any proceedings in terms hereof, and neither of the Parties shall be entitled to withdraw from the provisions of this clause or claim at any such proceedings that it is not bound by this clause 29.
- 29.5 This clause 29 is severable from the rest of this Agreement and shall remain in effect even if this Agreement is terminated for any reason.
- 29.6 This clause 29 shall not preclude either Party from seeking urgent relief in a court of appropriate jurisdiction, where grounds for urgency exist.

This Agreement is exclusively governed by and construed in accordance with the laws of the Republic of South Africa and is subject to the jurisdiction of the courts of the Republic of South Africa.

33.2 Change of Law

In this Agreement, unless the context otherwise requires, references to a statutory provision include references to that statutory provision as from time to time amended, extended or re-enacted and any regulations made under it, provided that in the event that the amendment, extension or re-enactment of any statutory provision or introduction of any new statutory provision has a material impact on the obligations of either Party, the Parties will negotiate in good faith to agree such amendments to this Agreement as may be appropriate in the circumstances. If, within a reasonable period of time, the Service Provider and Transnet cannot reach agreement on the nature of the changes required or on modification of Fees, Deliverables, warranties, or other terms and conditions, either Party may seek to have the matter determined in accordance with clause 29 [*Dispute Resolution*] above.

33.3 Counterparts

This Agreement may be signed in any number of counterparts, all of which taken together shall constitute one and the same instrument. Either Party may enter into this Agreement by signing any such counterpart.

34 DATABASE OF RESTRICTED SUPPLIERS

- 34.1 The process of restriction is used to exclude a company/person from conducting future business with Transnet and other organs of state for a specified period. No Bid shall be awarded to a Bidder whose name (or any of its members, directors, partners or trustees) appear on the Register of Tender Defaulters kept by National Treasury, or who have been placed on National Treasury's List of Restricted Suppliers. Transnet reserves the right to withdraw an award, or cancel a contract concluded with a Bidder should it be established, at any time, that a bidder has been restricted with National Treasury by another government institution.
- 34.2 All the stipulations on Transnet's restriction process as laid down in Transnet's Supply Chain Policy and Procurement Procedures Manual are included herein by way of reference. Below follows a condensed summary of this restriction procedure.
- 34.3 On completion of the restriction procedure, Transnet will submit the restricted entity's details (including the identity number of the individuals and registration number of the entity) to National Treasury for placement on National Treasury's Database of Restricted Suppliers for the specified period of exclusion. National Treasury will make the final decision on whether to restrict an entity from doing business with any organ of state for a period not exceeding 10 years and place the entity concerned on the Database of Restricted Suppliers published on its official website

- 34.4 The decision to restrict is based on one of the grounds for restriction. The standard of proof to commence the restriction process is whether a "*prima facie*" (i.e. on the face of it) case has been established.
- 34.5 Depending on the seriousness of the misconduct and the strategic importance of the Goods/Services, in addition to restricting a company/person from future business, Transnet may decide to terminate some or all existing contracts with the company/person as well.
- 34.6 A supplier or contractor to Transnet may not subcontract any portion of the contract to a restricted company.
- 34.7 Grounds for restriction include: If any person/Enterprise which has submitted a Bid, concluded a contract, or, in the capacity of agent or subcontractor, has been associated with such Bid or contract:
- a) Has, in bad faith, withdrawn such Bid after the advertised closing date and time for the receipt of Bids;
 - b) has, after being notified of the acceptance of his Bid, failed or refused to sign a contract when called upon to do so in terms of any condition forming part of the bid documents;
 - c) has carried out any contract resulting from such bid in an unsatisfactory manner or has breached any condition of the contract;
 - d) has offered, promised or given a bribe in relation to the obtaining or execution of the contract;
 - e) has acted in a fraudulent or improper manner or in bad faith towards Transnet or any Government Department or towards any public body, Enterprise or person;
 - f) has made any incorrect statement in a certificate or other communication with regard to the Local Content of his Goods or his B-BBEE status and is unable to prove to the satisfaction of Transnet that:
 - (i) he made the statement in good faith honestly believing it to be correct; and
 - (ii) before making such statement he took all reasonable steps to satisfy himself of its correctness;
 - g) has submitted false information regarding any other matter required in terms of the Preferential Procurement Regulations, 2017 issued in terms of the Preferential Procurement Policy Framework Act which will affect the evaluation of a Bid or where a Bidder has failed to declare any subcontracting arrangements;
 - h) caused Transnet damage, or to incur costs in order to meet the contractor's requirements and which could not be recovered from the contractor;
 - i) has litigated against Transnet in bad faith.
- 34.8 Transnet recognizes that trust and good faith are pivotal to its relationship with its supplier's/service providers. When a dispute arises between Transnet and its

supplier/service provider, the parties should use their best endeavours to resolve the dispute in an amicable manner, whenever possible. Litigation in bad faith negates the principles of trust and good faith on which commercial relationships are based. Accordingly, Transnet will not do business with a company that litigates against it in bad faith or is involved in any action that reflects bad faith on its part. Litigation in bad faith includes, but is not limited to the following instances:

- a) Vexatious proceedings. These are frivolous proceedings which have been instituted without proper grounds;
- b) Perjury. Where a supplier/service provider commits perjury either in giving evidence or on affidavit;
- c) Scurrilous allegations. Where a supplier/service provider makes allegations regarding a senior Transnet employee which are without a proper foundation, scandalous, abusive or defamatory.
- d) Abuse of court process. When a supplier/service provider abuses the court process in order to gain a competitive advantage during a bid process.

34.9 Where any person or Enterprise has been found guilty by a court of law, tribunal or other administrative body of a serious breach of any law, during the preceding 5 Years, such person/Enterprise may also be restricted. Serious breaches of the law would include but are not limited to corruption, fraud, theft, extortion, or contraventions of the Competition Act 89 of 1998 (e.g. collusive tendering). This process excludes minor convictions such as traffic offences or personal disagreements between parties which have no bearing on the business operations of the person or Enterprise.
